Dear Bharat & Deepa

Jai Shri Krishna

At the outset, we express our heartiest congratulations (Ghari Ghari Vadayun) on the launch Thathai Bhatia community's first website of its cuisine – [www.panjakhada.com](http://www.panjakhada.com)

Panja Khada is literally Panja Khada (our food), which is irreplaceable. This has been witnessed by most of the Thattais during the weddings in big star hotels where a variety of gastronomic fare laid out for the dinner buffet ranging from Pizzas to Pastas, but the consumption of Poath Chokha, Puri Saag, Pappad etc. has always got a priority.

It is worth to note that your publication of your book, Panja Khada – A Culinary Guide to Thathai Bhatia cuisine in 2002 has recorded wide circulation and remains in demand till the date, especially amongst our youngsters staying abroad. Your book, PANJA KHADA, has become a household name in our Thattai Community.

Yes, that's the beauty of our cuisine and it's wonderful to see it now available on [www.panjakhada.com](http://www.panjakhada.com) for the entire world to relish. The importance of maintaining our cuisine can't be emphasized enough and this project will go a long way in sustaining the delights of Thathai Bhatia cuisine.

We wish the two of you the very best with this project, and request our Thattais to visit this website and optimize the use of Thattai Cuisine.

Keep up good work and keep the flag of the Thathai Bhatia community flying high.

Yours truly
