Dear **Bharat & Deepa**,

Jai Shri Krishna !.

At the outset, we express our heartiest congratulations (*Ghari Ghari Vadayun*) on the launch of Thathai Bhatia Community's first website of its cuisine – www.panjakhada.com

Panja Khada is literally "**Panja Khada**", (viz. our food), which is irreplaceable. This has been witnessed by most of the Thattais during the weddings in big star hotels with a variety of gastronomic fare laid out on the buffet ranging from Pizzas to Pasta, but the consumption of *Poath Chokha*, *Puri Saag*, *Pappad* etc. has priority.

It is worth to note that your publication of *Panja Khada* – a Culinary Guide to Thathai Bhatia cuisine - in 2002 has recorded a wide circulation and remains in demand till the date. Specially, our youngsters staying abroad have repeatedly procured the same. Your book **PANJA KHADA** has become house-hold name in our Thathai Bhatia community and some patronage in other communities as well !.

Yes, that's the beauty of our cuisine and it's wonderful to see it now available on www.panjakhada.com for the entire world to relish. The importance of maintaining our cuisine can't be emphasized enough and this project will go a long way in sustaining the delights of Thathai Bhatia cuisine.

We wish both of you the very best with this project and request our Thathai brothers and sisters to visit this website and optimize the use of Thathai Cuisine.

Keep up the good work and keep the flag of the Thathai Bhatia community flying high. I am sure, other members of our community will take cue from your endeavours and work on similar creative, unique & typical projects, featuring Thathai Bhatia.

All the best !.
